

MINI ADVENTURE CAMP | AGES 6-10

Great for first time campers! Mini campers can have all the fun of camp without being away from home for a whole week.

MINI HORSE CAMP | AGES 6-10

Great for first time campers! Mini horse campers get to spend time each day at the barn learning to ride and take care of horses.

ADVENTURE CAMP | AGES 7-12

This is our biggest camp! Campers choose their own morning electives (between nature, aquatics, sports, and the arts), spend time throughout the afternoons in cabin group activities, and share in larger events like free swim and evening programs with all the kids in the adventure program.

HORSE CAMP | AGES 7-12

Beginner or advanced riders welcome. Horse campers will spend their mornings at the barn, in the arena or on the trails. Each afternoon and evening, horse campers will participate in cabin activities and large group evening programs alongside adventure campers. Grooming, tacking, riding, and horse lessons make this the perfect experience for young riders.

LAZY T RANCH CAMP | AGES 13-17

The ultimate ranch camp! Wake up early, feed the horses, make breakfast and spend the morning learning, riding, and caring for horses. Afternoons and evenings split between more horses, arena and trail riding in addition to sharing programming with the other camp teens.

RANGER CAMP | AGES 13-17

The Rangers are the core teen program at Tippecanoe. A ranger experience is one designed to help bring them together. These teens have more flexibility and a wider range of opportunities in their schedule than younger campers. There will be something for everyone while making lifelong friends.

THE RIDGE | AGES 13-17

The Ridge is a specialized program built for teens to be immersed in nature. Teens will live in rustic shelters called Adirondacks on the Ridge, cooking meals, sleeping under the stars and embarking on exciting new adventures every day! We want teens to form meaningful connections with other teens and our natural world while having a blast.

LEADER / COUNSELOR IN TRAINING | AGES 15-17

Become a CAUSE-DRIVEN LEADER. As part of the leadership program, you will be given the opportunity to help ensure the younger campers have the best experience possible while developing leadership skills that will help you excel, not only at camp, but also in your daily life – and have fun doing it!
